

Arizona Mission Trip '10

Thank you for helping support our mission trip to Arizona. Everyone is getting excited about going now to see what Christ has in store for us. We are making preparations for the trip now and would like to ask for your help. We need the following items for meals that will be prepared there. In addition to these items, we will need people to cook some items in advance.

Items may be brought beginning February 8th. There will be shelves in the hallway near the Narthex. **It is very important that we know what you are bringing**, so please e-mail or call me when you know. This way we don't end up with too much or not enough of any one item.

Recipes to be made and frozen: These need to be brought on 3/7.

(We will be feeding approximately 90 people.)
